

Responsible Investing Portfolio – Balanced

Performance Profile

Data as of December 31, 2022

The focus of this portfolio is to earn slightly higher returns with a secondary focus on wealth preservation. The portfolio may include exposure to all asset classes and attempts to balance the allocation between equity and fixed income Exchange Traded Funds (ETF). It carries moderate risk of loss over the investment horizon. The portfolio is optimized for higher environmental, social and governance (ESG) scores by excluding companies involved in tobacco, controversial weapons, civilian firearms and severe controversies.

RBC InvestEase Inc. (“RBC IE”) is a restricted portfolio manager providing access to model portfolios consisting of RBC iShares ETFs. Each model portfolio holds up to 100% of RBC iShares ETFs. RBC iShares ETFs are comprised of RBC ETFs managed by RBC Global Asset Management Inc. (“RBC GAM”) and iShares ETFs managed by BlackRock Canada Limited (“BlackRock Canada”). RBC GAM and BlackRock Canada entered into a strategic alliance to bring together their respective ETF products under the RBC iShares brand, and to offer a unified distribution support and service model for RBC iShares ETFs. Other products and services may be offered by one or more separate corporate entities that are affiliated to RBC IE, including without limitation: Royal Bank of Canada, RBC Direct Investing Inc., RBC Dominion Securities Inc., RBC Global Asset Management Inc., Royal Trust Corporation of Canada and The Royal Trust Company. RBC IE is a wholly-owned subsidiary of Royal Bank of Canada and uses the business name RBC InvestEase. The services provided by RBC IE are only available in Canada.

Past performance is not a guide to future performance, future returns are not guaranteed, and a loss of original capital may occur. Hypothetical historical data used in this document, including any underlying assumptions used, is not indicative of future performance or value. Any upward or downward trend presented is not an indication that the portfolio is likely to increase or decrease in value at any time.

The returns and performance information presented here does not reflect actual client portfolio or composite returns. The performance information presented in this document is based on a hypothetical model portfolio, and is intended to help illustrate the general performance of the investment strategy while removing the variability that results from implementation at a particular client level.

The hypothetical asset allocation returns are based on: 1) historical data relevant to the asset mix in RBC IE Standard Portfolios or RBC IE Responsible Investing Portfolios, 2) assumes daily rebalancing as per the asset mix of each RBC IE portfolio, 3) market close prices are used for all valuations, 4) includes the weighted-average management expense ratio charged by the underlying ETFs in RBC IE Standard and Responsible Investing Portfolios, 5) excludes any trading and account related costs, and 6) excludes RBC IE 0.50% annual management fee and any applicable sales taxes. For this reason, there is no expectation that the model returns will perfectly replicate the actual performance of any client following the same portfolio strategy. For more information on the range of weighted-average management expense ratios applicable to the ETFs held in RBC IE portfolios, please refer to Pricing at <https://www.rbcinvestease.com/>.

The following exchange traded funds have been used for each RBC IE Standard Portfolio and Responsible Investing Portfolio: iShares Core Canadian Short Term Bond Index ETF, iShares Core Canadian Universe Bond, iShares ESG Canadian Aggregate Bond Index ETF, iShares ESG Canadian Short Term Bond Index ETF, iShares Global Government Bond Index (CAD Hedged) ETF, iShares Core S&P/TSX Capped Composite, iShares ESG Aware MSCI Canada Index ETF, iShares Core S&P 500 Index ETF, iShares ESG Aware MSCI USA Index ETF, iShares Core MSCI EM IMI, MSCI EAFE IMI, iShares ESG Aware MSCI EAFE Index ETF, iShares ESG Aware MSCI EM Index ETF.
